

LAWN AND LEAF COLLECTION PRODUCTS

A Air **F** Fume **D** Dust **M** Material

PRODUCT	SIZE	LENGTH	TEMP RANGE	DESCRIPTION	Residential Leaf/Lawn
Flexadux® TR • HT-W	8", 10", 12"	10', 25'	-40° to 275°	Heavy weight thermoplastic rubber hose reinforced with a spring steel wire helix & external polypropylene wearstrip: Ideal for leaf and lawn collection; the polypropylene wearstrip offers additional external abrasion and drag resistance; HT-W has great moisture and UV resistance; the smooth interior assures minimal friction loss and efficient air flow; wall thickness .054"	M

PRODUCT	SIZE	LENGTH	TEMP RANGE	DESCRIPTION	Leaf Debris
Flexadux® PU • Flx-Thane® MD medium weight	8", 10", 12"	10', 25', 50'	-65° to 225°	Medium weight polyurethane hose reinforced with a bronze coated spring steel wire helix: Great flexibility and excellent tear strength; withstands puncture and abrasion; can handle more severe service applications than standard neoprene hose; wall thickness .030", available in metric sizes	M
• Flx-Thane® HD heavy weight	12", 14", 16", 18"	10', 25'	-65° to 225°	Heavy weight polyurethane hose reinforced with a coated spring steel wire helix: great abrasion resistance & higher tear strength; ideal for severe service applications, leaf and debris collection; superior chemical resistance and great flexibility; wall thickness .045" (heavier wall available .060"), available in metric sizes	M

Flexadux® Accessories
• **Bridge Clamps**
Stainless steel band & welded stainless steel bridge with carbon steel screw. Fits over the helix creating a leak proof seal. Available in clockwise & counter-clockwise. Available in sizes 2" to 12".

• **Screw Clamps**
Stainless steel band with carbon steel screw. Available in sizes 1 1/2" to 20".

• **Connectors**
Available in stainless steel & aluminum. Designed with a raised lip to prevent hose clamp from slipping off. Available in sizes 1 1/2" to 24".
